Case No. 2:19-cv-01701-GMN-NJK

**ORDER GRANTING
STIPULATION TO EXTEND
DEADLINES**

(Third Request)

Pursuant to Local Rule IA 6-1, the parties request an extension of time to file their respective motion for summary judgment briefs. This motion is brought less than 21 days before the parties' deadline to file respective motions for summary judgment; however, good cause exists for the requested extension.

This is an APA action wherein Plaintiffs challenge the denial of an application of citizenship. The deadline to file motions for summary judgment is September 11, 2020. Counsel for Plaintiffs and counsel for Defendants have been in discussions regarding the briefing schedule and potential resolution. Specifically, the parties have discussed the possibility of reopening the

1 proceedings related to the revocation of the I-130 Petition (the final agency action) and the I-485,
2 Application to Adjust Status, et. al. If the parties are able to reach an agreement, this matter will
3 be dismissed pursuant to a stipulation. Accordingly, the parties have agreed to extend the deadline
4 to file their respective motions for summary by seven (7) days, or by September 18, 2020. If the
5 parties reach an agreement before then, they will submit a stipulation to dismiss.

6 WHEREFORE, the parties respectfully request that this Court extend the deadline to file
7 motions for summary judgment by seven (7) days.

8 Respectfully submitted this 11th day of September 2020.
